## TO THE UNKNOWN TEACHER

---

I sing the praise of the Unknown Teacher. Great generals win campaigns, but it is the Unknown Soldier who wins the war. Famous educators plan new systems of pedagogy, but it is the Unknown Teacher who delivers and guides the young. He lives in obscurity and contends with hardships. For him no trumpets blare, no chariots wait, no golden decorations are decreed. He keeps the watch along the borders of darkness, and makes the attack on the trenches of ignorance and folly. Patient in his duty, he strives to conquer the evil powers which are enemies of youth. He awakens sleeping spirits. He quickens the indolent, encourages the eager, and steadies the unstable. He communicates his own joy in learning, and shares with boys and girls the best treasures of his mind. He lights many candles, which, in later years, will shine back to cheer him. This is his reward. Knowledge may be gained from books; but the love of knowledge is transmitted only by personal contact. No one has deserved better of the Republic than the Unknown Teacher. No one is more worthy to be enrolled in a democratic Aristocracy, "King of himself and servant of mankind."—Henry Van Dyke.

## SONGS

---

### TUNE: WE'VE BEEN WORKING ON THE RAILROAD

We've been working correlations,  
Norms and medians true;  
We've been working integrations  
And unit projects too.  
We've attempted motivation;  
Directed study time;  
Now some Academic Freedom  
And all will be just fine!

### TUNE: LET ME CALL YOU SWEETHEART

Has he got the I. Q.  
Of a cross-eyed cat?  
Has he got ambitions  
Of a lazy rat?  
Are these the kind of children  
We will all combat  
And will make you wonder  
Where you've left your hat?  
—Ervin Stever.

### TUNE: MARCHING THROUGH GEORGIA

Bring those perfect issues too  
The ever needing school  
Make the objects of each one  
A standard golden rule.  
Raise the median of each class  
To reach the perfect goal,  
By making the high even higher.

#### CHORUS:—

Hurrah! Hurrah! The issues are the thing  
Hurrah! Hurrah! We'll make our systems sing  
We'll change the weak curriculum  
To one of perfect jing.  
By making the high even higher.

### TUNE: I'M FOREVER BLOWING BUBBLES

We're the jolly young school teachers,  
Listen to our happy song  
We strive to do everything that's new  
We'll give no grades to bother you  
We're for integration  
We like units, too  
We get but little compensation  
Education we're for you.

—Ruby Ellen Malmberg.

### TUNE: THE MORE WE GET TOGETHER

The more we get together, together, together,  
The more we get together the happier are we.  
You are Masters and Leaders, we're Amateur Teachers,  
So the more we get together the happier are we!  
—Lewis Pankaskie.

### TUNE: GO YOU HAYS TIGERS

Sing you school teachers!  
Sing with might and main,  
With your heads a ringing  
At the sound of his good name.  
Sing you school teachers!  
And tell where'er you go—  
This is the man  
The guy "what am"—  
And to Hays High School he does go.  
—Ivan Hill.

### TUNE: SWEET ADELIN

Kind Lizzie Moore  
That's what I'll be  
In all the Schools  
That employ me,  
In every deed  
I'll meet the need  
Of that spirit in my heart  
Kind Lizzie Moore.

## TUNE: ALWAYS

I'll be a Lizzie Moore always  
True to Lizzie Moore always.  
Always understanding  
Always understanding  
Never too demanding.  
Keep the right side shining  
Always, Lizzie  
A smile upon my face, always  
Full of kindly grace, always,  
Always see the best  
And I'll stand the sets,  
I'll be a Lizzie Moore, always.  
—Marylee Harvey-Niewald.

## TUNE: IT'S A LONG WAY TO TIPPERARY

It's a long way from sod to Picken  
It's a long way to go  
It's a long way from sod to Picken  
It is one hard row to hoe  
Be still, dear friends, and listen  
To what we have to say  
In the Sod Bob caught a vision  
He's in Picken today.

—Grace Rose.

## TUNE: I WENT TO THE ANIMAL FAIR

I went to the Educational Fair;  
The Frontier Thinkers were there.  
They handed out dope  
Of boundless scope  
All based on a questionnaire.

These thinkers that thought they think  
Said all subject matter was junk.  
Said the schools of the nation  
Must have integration;  
But it sounded to me like the bunk!

—John Lund.
